INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Ulster County Capital Resource Corporation:

Report on the Financial Statements

We have audited the accompanying financial statements of Ulster County Capital Resource Corporation (a component unit of the County of Ulster, New York), (the "Corporation"), as of and for the year ended December 31, 2019, and the related notes to the financial statements, which collectively comprise Ulster County Capital Resource Corporation's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Ulster County Capital Resource Corporation's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Ulster County Capital Resource Corporation, as of December 31, 2019, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise Ulster County Capital Resource Corporation's basic financial statements. The Schedule of Revenues and Expenditures – Budget and Actual and Schedule of Conduit Debt Obligations are presented for the purpose of additional analysis and are not a required part of the basic financial statements.

The Schedule of Revenues and Expenditures – Budget and Actual and Schedule of Conduit Debt Obligations are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Revenues and Expenditures – Budget and Actual and Schedule of Conduit Debt Obligations are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Report on Financial Statements for the Year Ended December 31, 2018

The financial statements of Ulster County Capital Resource Corporation for the year ended December 31, 2018, were audited by Pattison, Koskey, Howe & Bucci, CPAs, P.C. who combined with UHY LLP effective January 1, 2020, and expressed an unmodified opinion on those statements on March 29, 2019.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 30, 2020 on our consideration of Ulster County Capital Resource Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Ulster County Capital Resource Corporation's internal control over financial reporting and compliance.

Using This Annual Report

This Annual Report consists primarily of the Statements of Net Position, Statements of Revenues, Expenses and Changes of Net Position and the Statements of Cash Flows, which provide information about the activities of the Corporation only.

These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid. The statements report the Corporation's net position and changes in net position.

One way to measure the Corporation's financial position is to look at the net position - the difference between assets and liabilities.

Condensed Comparative Financial Statements and Analysis

The Corporation's net position at the end of the 2019 was \$646,798, a decrease of \$3,186 from \$649,984 in 2018. The Corporation's net position at the end of 2018 was \$649,984, a decrease of \$128,835 from \$778,819 in 2017.

Our analysis below focuses on net position (Table 1) and the changes in net position (Table 2).

Net Position - Unrestricted	<u>\$ 646,798</u>	<u>\$ 649,984</u>	<u>\$ 778,819</u>

Current Assets:

Cash totals at the end 2019 were \$646,798 versus \$651,234 at the end of 2018. The decrease in cash was a result of no projects closing during 2019. Cash totals at the end of 2018 were \$651,234 versus \$780,069 at the end of 2017. The decrease in cash was a result of no projects closing during 2018.

The Corporation purchased certificates of deposit to obtain a better interest rate return given the increase in assets over the past three years.

Current Liabilities:

There are no accounts payable for the year ended December 31, 2019. As of December 31, 2018 and December 31, 2017, the Corporation owed Ulster County \$1,250.

Changes in Net Position:	<u>\$ (3,186)</u>	<u>\$ (128,835)</u>	<u>\$ 769,331</u>

The Corporation's revenues in 2019 were \$6,900 versus \$5,842 in 2018. Expenses in 2019 were \$10,086 versus \$134,677 in 2018. The decrease in expenses in 2019 over 2018 was predominantly due to an decrease in contract for services expenditures.

The Corporation's revenues in 2018 were \$5,842 versus \$778,568 in 2017. Expenses in 2018 were \$134,677 versus \$9,238 in 2017. The revenue decrease in 2018 over 2017 was caused by a bond refunding in 2017, and no projects closing in 2018. The expenses increased in 2018 predominantly due to an increase in contract for services expenditures from 2018 over 2017.

NOTES TO FINANCIAL STATEMENTS

December 31, 2019 and 2018

NOTE 1 — NATURE OF ORGANIZATION

The Ulster County Capital Resource Corporation, a component unit of the County of Ulster, New York, (the "Corporation") was established on May 11, 2010, pursuant to Sections 402 and 1411 of the Not-For-Profit Corporation Laws of the State of New York. The Corporation promotes community and economic development and the creation of jobs in the non-profit and for-profit sectors for the citizens of the County of Ulster by developing and providing programs for not-for-profit institutions, manufacturing and industrial businesses, and other entities to access low interest tax-exempt and non-tax exempt financing for their eligible projects.

Additionally, the Corporation's purpose is to undertake projects and activities within the County of Ulster for the purpose of relieving and reducing unemployment, bettering and maintaining job opportunities, carrying on scientific research for the purpose of aiding the County of Ulster by attracting new industry to the County or by encouraging the development of, or retention of, an industry in the County, and lessening the burdens of government and acting in the public interest. The directors of the Corporation are appointed by the County of Ulster's legislature. The Corporation's directors have complete responsibility for management of the Corporation and accountability for fiscal matters.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Corporation have been prepared on the accrual basis of accounting and reflect all significant receivables, payables, and other liabilities. Revenues are recorded when earned and expenses are recorded when incurred. In accordance with accounting principles generally accepted in the United States of America, the Corporation applies all applicable Governmental Accounting Standards Board (GASB) pronouncements. The Corporation has chosen to only apply GASB pronouncements. The Corporation does not apply any Financial Accounting Standards Board (FASB) or AICPA pronouncements post November 30, 1989, as clarified by GASB No. 62 "Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements". The government-wide financial statements include the Corporation's only governmental fund (single enterprise fund).

Deferred Outflows/Inflows of Resources:

GASB Statement No. 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*, and GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*, defined and classified deferred outflows of resources and deferred inflows of resources. A deferred outflow of resources is a consumption of net assets that applies to future period(s), and as such, will not be recognized as an outflow of resources (expense/expenditure) until that time. A deferred inflow of resources is an acquisition of net assets that applies to future period(s), and as such, will not be recognized as an inflow of resources (revenue) until that time.

Statement 63 changed how governments organize their statements of financial position (such as the current government-wide statement of net assets and the governmental funds balance sheet).

As a result of Statement 63, financial statements will include deferred outflows of resources and deferred inflows of resources ("deferrals"), in addition to assets and liabilities, and reports net position instead of net assets.

ULSTER COUNTY CAPITAL RESOURCE CORPORATION

(a component unit of Ulster County, New York)

NOTES TO FINANCIAL STATEMENTS

December 31, 2019 and 2018

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Budgetary Data:

The budget policies are as follows:

In October of each year the CFO submits a tentative budget to the Finance committee and the Finance Committee recommends the budget to the Board of Directors for final approval for the next fiscal year which begins the following January 1. The tentative budget includes proposed expenditures and the proposed means of financing.

Use of Estimates:

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition:

Fee revenue is recognized for administrative services and applications related to bond issuances in the period the services are performed generally when the related bond issuances are finalized.

Concentration of Credit and Market Risk:

Financial instruments that potentially expose the Corporation to concentrations of credit and market risk consist primarily of cash and cash equivalents. Cash and cash equivalents are maintained at Federal Deposit Insurance Corporation insured financial institutions and credit exposure is limited to any one institution.

Net Position:

Net position is an element of proprietary fund financial statements and is measured by the difference between (a) assets and deferred outflows of resources and (b) liabilities and deferred inflow of resources.

Subsequent Events:

Subsequent events have been evaluated through March 30, 2020, which is the date the financial statements were available to be issued.

In December 2019, a novel strain of coronavirus disease ("COVID-19") was first reported in Wuhan, China. Less than four months later, on March 11, 2020, the World Health Organization declared COVID-19 a pandemic.

The extent of COVID-19's effect on the Organization's operational and financial performance will depend on future developments, including the duration, spread and intensity of the pandemic, all of which are uncertain and difficult considering the rapidly evolving landscape. As a result, it is not currently possible to ascertain the overall impact of COVID-19 on the Organization's finances. However, if the pandemic continues to evolve into a severe worldwide health crisis, the disease could have a material adverse effect on the Organization's activities, results of operations, financial condition and cash flow.

NOTE 3 — CASH AND CASH EQUIVALENTS

For purposes of reporting cash flows, the Corporation considers cash in operating bank accounts, demand deposit, cash on hand, and highly liquid debt instruments purchased with a maturity of three months or less as cash and cash equivalents. As of December 31, 2019 and 2018, cash, which consisted of one checking account and one money market account, was fully covered by federal depository insurance and collateral held by the financial institution.

The following is a summary of cash and cash equivalents as included in the statement of net position at December 31, 2019:

	<u>Book Balance</u>	<u>Bank Balance</u>	<u>FDIC Coverage</u>	<u>Collateral</u>

NOTE 4 – CERTIFICATES OF DEPOSIT

During the year ended December 31, 2019, Ulster County Capital Resource Corporation purchased three certificates of deposit dated 6 months, 12 months, and 15 months from the purchase date of May 10, 2019. The 6-month certificate matured in November of 2019, at which point the proceeds were converted back into cash. As of December 31, 2019, the 12-month and 15-month certificates were still outstanding with maturity dates of May and August, respectively.

The following is a summary of certificates of deposit as included in the statement of net position at December 31, 2019:

	<u>Balance</u>

NOTES TO FINANCIAL STATEMENTS

December 31, 2019 and 2018

NOTE 5 — CONDUIT DEBT OBLIGATIONS

From time to time, the Ulster County Capital Resource Corporation issues negotiable bonds to provide financial assistance to not for profit entities for the acquisition and construction of facilities deemed to be in the interest of the public. The bonds are secured by the property financed and are payable solely from the payments received on the underlying mortgage loans. Upon repayment of the bonds, ownership of the acquired facilities transfers to the not for profit entity served by the bond issuance. Neither the County of Ulster, Ulster County Capital Resource Corporation, nor the State, nor any political subdivision thereof is obligated in any manner for repayment of the bonds. Accordingly, the bonds are not reported as liabilities in the accompanying financial statements. As of December 31, 2019 and 2018, there were (7) series of Bonds outstanding, with an aggregate principal amount payable of \$78,406,288 and \$80,109,985 respectively.

NOTE 6 — RELATED PARTY TRANSACTIONS

During the year ended December 31, 2018, the Corporation was administered by the County of Ulster. As the administrator, the County of Ulster received \$5,000 for services rendered during the year ended December 31, 2018.

Effective January 1, 2019, the Corporation is no longer administered by the County of Ulster. The Board took responsibility for the Corporation until June 2019 at the point the Corporation hired administrative staff.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Ulster County Capital Resource Corporation
a Component Unit of the County of Ulster, New York

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Ulster County Capital Resource Corporation as of and for the year ended December 31, 2019, and the related notes to the financial statements, which collectively comprise Ulster County Capital Resource Corporation's basic financial statements, and have issued our report thereon dated March 30, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Ulster County Capital Resource Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Ulster County Capital Resource Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of Ulster County Capital Resource Corporation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Ulster County Capital Resource Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
