I'm working on.

**[00:00:01] Speaker2**

Okay. I want to apologize for a few minutes late getting started. My fault. But what are you going to do? Vote me out. I'm not coming back anyhow. Yes. I like to call to order a meeting of the Ulster County IDA. Pledge of Allegiance, please. I pledge allegiance to the flag of the United States of America and to the republic for which it stands, one nation under God, indivisible, liberty and justice for all. Ok, Roll Call. You're the only one that's muted.

**[00:00:49] Speaker1**

Better that way. James Malcolm. Here I am. I'm here. Michael Hamm.

**[00:01:08] Speaker2**

Okay. The mission statement, the mission of the Ulster County Industrial Development Agency is to advance the job opportunities, general prosperity and long term economic vitality of the Ulster County residents by targeting tax incentives, bonding and other assistance to foster creation and attraction of new business and the retention and expansion of existing business. I'd like you all to take a look at the minutes from our April 20, 2022 meeting. Look them over for a couple of minutes. At that time, I'll entertain a motion to accept this presented or any potential changes. Thank you. Chair. I'm going to put a motion out that we accept the minutes as presented. I have a motion to accept the minutes is presented and I have a second from Mr. Savona. Anyone on the question? All those in favor signify by saying I, oppose carry. Thank you. Brings us to public comments on agenda items only anyone.

**[00:02:21] Speaker3**

Yes. I would like to say something, Mr. Tambourine.

**[00:02:24] Speaker2**

Would you like to identify yourself for the record?

**[00:02:28] Speaker3**

Thank you. My name is Dean Tamburri. I'm a resident of the town of Newburgh. I'm also with the Building Trades and Laborers Local 17, representing members in Ulster County. I also just want to take the opportunity this morning to thank Chairman James Malcolm for his dedicated time on this board. I currently am on the Orange County Board but have only been six months, so Jimmy's been around for many years, 14 years. He's represented, I believe, the county in an excellent manner. And he's an absolute. He was an asset to the county. And I appreciate all the time and effort he has put into this.

**[00:03:17] Speaker2**

Thank you very much. Thank you. We appreciate that. We don't go for the hugs. It's nice to say, but it's about the name on the front of the jersey unless you have a cowboy jersey in your window. That may be true. Turn that around.

**[00:03:33] Speaker3**

It's a lot of years and you should be commended for the time you put in.

**[00:03:38] Speaker2**

You know. It's very difficult. And I, I have to give praise to guys like yourself who walked into a very difficult situation down in Orange County. You know, you don't throw bombs, you don't point fingers. You just hope people pick it up and move forward. And I could say the same for your group of folks down there. I wish you the best moving forward. Any other comments on agenda items? So we need about, what Rose about 10-15 minutes for executive session. We're muted, Rose.

**[00:04:21] Speaker1**

I had it. Yeah, I believe so. Joe, will you give the reason?

**[00:04:29] Speaker3**

I'm sorry. What was the question, Rose?

**[00:04:31] Speaker1**

The reason for executive session.

**[00:04:33] Speaker3**

Oh, to to get the advice of.

**[00:04:36] Speaker2**

**[00:04:47] Speaker1**

**[00:04:48] Speaker2**
